

Integrated Electro-Mobility Project BHNS - High-Level Service Bus

From July 24, 2017 to July 30, 2017

- * Patrice CASSAGNARD (Project Manager)
- * Florence LACHET-TOUYA

As part of the development of the High-Level Service Bus (BHNS) line, the Mixed Association for Urban Transportation in Pau-Porte des Pyrénées (SMTY-PPP) contacted the CATT to update the socio-economic review of its urban transportation project with, in particular, an analysis of the positive environmental impact of purchasing zero-emission, hydrogen-operated transportation means.
